- 1 Cover your cardboard roll in yellow paint and set aside to dry.
- 2 Fold a white doily in half and then in half again, making  $\frac{1}{4}$  folded sections. Snip along the folded lines and set aside.
- 3 Use a pencil and ruler to mark 1cm (width) lengths on a sheet of black paper and snip along the marked line. You will need 4 x lengths. Snip those lengths down to roughly 17cm (length) each and set aside.
- 4 When your yellow cardboard roll is dry, use craft glue to attach the four lengths of black paper. Start from the bottom up, leaving 1cm of yellow space between each black 'stripe'.
- 5 Use craft glue to attach two  $\frac{1}{4}$  doily shapes onto the back of the cardboard roll and set aside.
- 6 Cut out the shape of a small red heart, write 'Bee Mine', and attach the front of the bee's body with a small dab of glue.
- 7 Fold one black pipe cleaner in half and attach one foam heart sticker onto each end, reattaching the sticker's backing to enclose the ends of the pipe cleaners.
- 8 Use strong craft glue or masking tape to adhere the pipe cleaner to the inside of the cardboard roll.
- 9 Use strong craft glue to adhere two joggle eyes and a black marker to draw on a mouth. Set aside to dry.
- 10 Done! The perfect Bee My Valentine is ready.

**TOP TIP**

For a mess-free activity requiring no cleaning up, substitute the yellow paint for yellow paper.
