MTA Interactiv Panel

Designed specifically with teachers in mind, the MTA Interactive Flat Panel is packed with innovative features designed to allow you and your students to display and interact with content like never before!

Key Features include: - **Smooth writing:** The reduced thickness of the space between the screen and panel makes it feel like you are writing on paper.

- **Ultra-high Definition:** Crystal clear views with 4K resolution delivers astonishing imagery.

- **Responsive Touch:** 10 millisecond response time to instantly bring your ideas to life on the whiteboard.

- **Easy Access to the Cloud:** Log into your Google or Microsoft account with easy for a safer, more efficient and personalised experience. Access all your documents quickly.

- **Screen Sharing:** Wirelessly connect up to 9 devices at the same time. Scroll down for more information about screen sharing on the MTA Interactive Flat Panel.

- **Two-Way Collaboration:** Mobile devices can be operated both from the panel or used directly to manage writing, annotation and presenting on the panel.

- **Share Application:** Teachers can invite students to join interactive activities via QR code, or enter a pin on their device.

- **Shortcut Tools:** Find the apps and files you need quickly to keep your lessons running smoothly. The system bar is customisable, so you can keep your most commonly used tools at your finger tips.

- **Front Facing Speakers:** No need for an additional soundbar.

- **Front Facing Ports:** Connect other devices via HDMI or USB C from the front of the panel. Tech Specs:- Front-facing USB ports (1xUSB-C and 2xUSB-A)- Front-facing HDMI Port- Front-facing speakers (2x 16W)- 4K ultra-HD display- IR (infrared ray) touch technology- 40 touch points- Response time ≤10ms- Writing height ≤3mm
