## This term, reading is on us!

I Do, We Do, You Do. With so much doing to be done, Wushka has the resources you need to make literacy instruction a snack. With over 1000 digital readers for shared and independent reading, a clear scope and sequence and integrated comprehension tools, Wushka can help you model and guide the way to independent reading.

### Digital Decodable Readers

Wushka features over 400 engaging decodable readers including fiction, non-fiction and science-based topic titles to appeal to every type of learner.

### Science Decodable Readers

Wushka's digital Science Decodable Readers are a great way to engage learners who may be more interested in learning facts. They're written with strictly controlled vocabulary that follows the letter-by-letter progression along with 'tricky words'.

### Fiction and Non-Fiction texts

Wushka offers over 700 fiction and non-fiction texts to help transition older readers to chapter books, non-fiction and essential text types. Corresponding lesson plans focus on comprehension and vocabulary.

### Printables and Resources

Wushka's printables are a great way to dive deeper into key themes and easy-to-implement lesson plans keep your lessons on-track and objective driven.

### Comprehension Tools

All Wushka readers come with a narrated comprehension quiz as standard, and results are captured on your teacher dash.

### Student Analytics

Real-time, actionable data helps you keep tabs on student progress and engagement at individual and class level.

## Here's what's to love.

#### It's easy.

Provides the tools required for streamlined literacy instruction.

#### Home reading

Filter readers by title, phase or theme for the right reader, every time.

#### Volume and variety

Fiction, non-fiction, HiLo and Science readers keep every reader engaged.

#### Built to blend

Use as a stand-alone literacy program, or layer with existing resources.

#### See the unseen

Capture reading activity as it happens on your teacher dashboard.

#### Differentiation

Set personalised reading levels or reading groups in a click.

### Keen to see Wushka in action? Easy!
