The SafetyNest Ergo II Cot primarily features raised mattress height, which allows educators to transport children at approximate hip height in and out of the cot. The ergonomic cot is based on a classic design with well-appointed features that combines the safety for young children with the ease-of-use for educators. The SafetyNest Ergo II Cot provides a reassuring rest place for babies and toddlers with an open-slat design, providing air flow and wider cot width for sleep comfort. Cot mattress size required is 100 x 60cm. Cot measures 105(L) x 68.5(W) x 145(H)cm. Available in 2 colours, Natural and White.
