Exploratory Play	1
Natural Play	15
Found Resources	23
Imaginative Play	28
Natural Spaces	46
Outdoor Play	62

This catalogue represents Modern Teaching Aids' commitment to providing natural and environmentally friendly resources for the early years. Where possible, we have sourced environmentally friendly products that support natural and healthy play. The range has a strong focus on items that are;

- naturally found
- made from recycled materials
- promoting healthy living
- made from natural materials
- sustainable
- non-toxic
- environmentally friendly
- inspired by nature

The resources in this catalogue also help to provide a wonderfully fun, exciting and sensory play environment. Play is a key component in children's learning and social development. It allows children the freedom to be creative and imaginative. Play allows children to explore, to test ideas and theories, and to explain the world around them. This catalogue focuses on five different types of play;

- natural
- exploratory
- creative
- imaginative
- outdoor
