**Shared Reading Favourites Big Book Pack**  
MTABKIT42 \$229.95

Shared Reading Big Book Pk 6 Titles: A set of 6 popular stories, full of rhythm and rhyme, perfect for sharing with young children in big book format. The titles in this pack include: Hands Can, Ten in the Bed, The Pig in the Pond, Owl Babies, We're Going on a Bear Hunt and One Is a Snail Ten Is a Crab. Hand Can Big Book provides youngsters with an almost sensory experience in which they can appreciate how their hands help them to explore and interact with their world. With singsong rhythm, simple design, and alluring colour photos of toddlers, Hands Can invites the littlest readers to discover the many things that hands can do. With Ten in the Bed Big Book, it's a bit of a squeeze! Roll over, roll over! But the little one gets cold all alone, and soon all ten are snuggled up and fast asleep. This famous rhyme is of interest to children who enjoy shouting out the crash, thud and bump noises! The big-book version of the popular picture book The Pig in the Pond tells the story of Neligan's pig, who sits by the pond and watches the ducks play in the cool water. As the pig gets hotter and hotter, he does something quite unheard of and jumps in the pond. In Owl Babies Big Book, three baby owls, Sarah, Percy and Bill, wake up one night in their hole in a tree to find that their mother has gone. So they sit on a branch and wait. Darkness gathers and the owls grow anxious, wondering when their mother will return. But, at last, she does, and they joyously welcome her home. We're Going on a Bear Hunt Big Book is a children's classic. Children will delight in the repeated phrases and onomatopoeic words. Follow and join in the family's excitement as they wade through the grass, splash through the river and squelch through the mud in search of a bear. What a surprise awaits them in the cave on the other side of the dark forest. Perfect to read aloud. Winner of the Nestle Smarties Book Prize 1989. In One Is a Snail Ten Is a Crab Big Book , the buggy-eyed insects, crabs, and snails provide an appealing cast of characters who stand up to be counted against a summertime palette. The big book introduces counting and adding in a fun and welcoming way. Contents may vary.

## Pre-Reading and Emergent Levels

Pre-Reading titles offer a first introduction to the basic conventions of print and include all letters of the alphabet in a story context. Emergent titles engage students in entertaining texts, supported by attractive illustrations and photographs.

Pre-Reading and Emergent Level titles:

- use bold type and additional spacing between words
- introduce and build phonemic awareness and phonic knowledge
- introduce upper and lowercase letters together to ensure automatic association of both forms
- use red highlighting to emphasise focus letters and punctuation
- feature exciting illustrations and photographs that give clues for word recognition and launch oral discussion and critical thinking
- ensure the child builds control of a bank of high-frequency words that can be instantly recalled
