## Nitrile Powder-Free Gloves

These disposable nitrile gloves are comfortable to use, powder free and are of professional quality. Nitrile gloves offer excellent sensitivity and elongation. Improved technology allows thinner gloves to be manufactured, without sacrificing the glove's ability to effectively protect against oil-based chemicals. Nitrile has excellent barrier protection providing three times more puncture resistance than latex. These gloves come in three sizes: small, medium and large. Also available in two colours (blue or white).

- Powder-free
- Examination quality
- No rubber latex
- 3x stronger
- Non-sterile
- Ambidextrous
- Manufactured to ISO 13485 quality systems

### 3x stronger than latex or vinyl

## Avoid trapped fingers

### Finger Alert – 180 degrees

AT30 Each \$102.95

Protect children's hands and fingers with this transparent strip that covers the wedge between door and door post/frame. The Finger Alert 180° consists of a clinging profile and two click strips plus a positioning strip. The clinging profile is transparent in order to match any colour door or frame. It is made of durable and flexible plastic that will not tear as other systems often do, even with frequent use. The strip is very easy to apply, saving a lot of time and money. Suitable for doors that open up to 180°. Each strip is 180cm(L).

### Finger Alert Door Safety Strips

AT20 Each pair \$28.95

The Finger Alert prevents injuries caused by fingers being jammed between the door, resulting in a safer environment for children. It is easy to install on nearly all types of doors. It consists of 2 transparent plastic strips, each being 120cm(L). On both sides of the strip is a 1.2cm thick strong tape and a cutaway for nailing the strip if required. In a vertical position, the strip covers the gap between the door, preventing fingers or hands being jammed. Furthermore, the flexibility of the strips ensures their life span is extended. Suitable for door opening to 110°.

## Transparent Recycling Bins – 30L

RG030KT Set of 4 \$139.95

Always wondered if the waste recycling has been done correctly and which type of waste should go in which bin? Introducing transparent recycling bins which allow you to see what's inside the bin, promoting the correct recycling of waste. The black bins are also still available, and the lids are compatible with both the transparent and black base. The transparent bins are available in 30L bins. These bins measure 57.5(H) x 41(W) x 30(L)cm and come with a swing lid. Each set comes in 4 colours - blue, green, yellow and red. They are also available individually.
