Great for speaking and listening

Communication Game

RO2003	Fun Theme	\$169.95
RO2002	Daily Life Theme	\$169.95

These are the perfect games to help develop and boost confidence in speaking and listening skills - one child describes an image they see on the board and the other child has to listen carefully and identify the matching image on the opposite side of the board by placing a peg in it. The illustrated boards are packed full of interesting scenarios based on a particular theme and are cleverly designed to extract specific vocabulary and aspects of language from the children using them, such as positional language, shape, colour, size, etc., e.g., 'The clown has 2 balloons', 'The girl is in the red boat', 'The girl is pushing the pram beside the pond'. Each game includes 5 double-sided boards, 1 stand and 12 coloured pegs. The 5 themes in RO2003 are: Circus, Beach, Campsite, Woods and Snow. The 5 themes in RO2002 are Supermarket, Farm, Hospital, Park and Busy Road.
