Adjustable Post Protector

These universal post protectors are fully adjustable and can accommodate many configuration and size requirements. They adjust to fit both round and square posts and are made from universal safety padding. Also included with each one are 2 extra pieces of safety padding, which hook and loop together to expand the protectors even further. The surface is smooth, durable vinyl with seamless joints. The 180cm Post Protector Kit (ASP180K) uses the hook and loop fasteners on the end of both the 60cm and 120cm protectors to form a strong joint.
