Geo Shape Lacing

Geo Shape Lacing is a colourful, geometric new look for a classic lacing activity toy. Set includes 3 over-sized geometric lacing boards and multi-coloured laces. Children can experiment with colour, patterns, letters, and pictures within the frames. Creativity guides are included to aid teachers in fun classroom activities. The chunky wooden frames with reinforced corners secure the boards in place for added durability in preschool environments. These manipulatives are easy for little hands to grasp and are for developing essential and cognitive skills including fine motor skills, hand-eye coordination, as well as visualization and process. Suggested Age: 3+ Years.

1. Calming Lap Pad

Improve focus and concentration with these calming and comforting lap pads. Some children may be easily distracted by the external environment. They find it hard to focus and concentrate during study. Weighted lap pads can improve the sensory processing for children. The lap pads are designed for children who have trouble sitting still. Put the weighted pads on your child's thighs. This can enhance his/her proprioception and increase the awareness of the position of his/her body. It can also give your child a sense of security, help him/her to stay calm and reduce anxiety. Small - Weight: 1.36kg. Size: 60(L) x 22cm(W). Large - Weight: 2.27kg. Size: 70(L) x 25cm(W). Healthy Eating Posting Game

Learn all about healthy eating, food and nutrition with this fun posting game. The front of each card has a real life photo of a piece of food and the reverse side is coloured to match the post box with the correct food group. The cards are laid image side up and children have to identify the image, select the correct food group and turn over the card to see the answer. They then post it into the correct post box. Contents include 46 double-sided cards, 5 post boxes, teacher guide and healthy eating guide. Post Box measures 14 x 6 x 6cm. Ages 5+ years
