Explore & Discover Light Panels

These amazing light panels feature a bright LED surface. They are excellent for encouraging exploratory play. Children can explore line, texture, shape and colour. Light panels also provide an excellent surface for sensory play using sand and other tactile resources. They also are a great way to encourage play based learning in maths, science and literacy. These light panels feature environmentally friendly LED lights that last for up to 50,000 hours. They are available in 2 sizes: KD103 measures 47(W) x 34.5(L)cm and has an illuminated area of 29.5(W) x 42(L)cm. KD102 measures 64(W) x 47(L)cm and has an illuminated area of 59(W) x 42(L)cm. The panels are lightweight and durable, excellent for all classroom environments.

Colour Changing Light Panel

exclusive

This amazing, colour changing light panel features a bright LED panel. This light box can change to 16 different shades and multiple settings. The unique 60(dia)cm round shape allows for multiple children to use this lightbox at any time. It is excellent for encouraging exploratory play as well as for art and craft activities and STEM and STEAM project based work. Due to the large variety of different resources that can be used with a light panel, they are also excellent for children to use when learning maths, science and literacy. Children can explore line, texture, shape and colour. The panels are lightweight and durable, with a large, flat surface and excellent light projection. The environmentally friendly LED lights can last for up to 50,000 hours. Warning: The remote control contains a button battery which is hazardous if swallowed. Keep away from children.

Found Resources

A beautiful, natural selection of cones, twigs, wood cuts and chips to explore texture. Invites children to observe, compare, arrange and sort. Also perfect for creating natural craft and collages.

Large Green Pods

Dried Sunflowers

Natural Botanicals

This range of natural botanicals is excellent for open ended, creative and inquiry based learning. Children can explore texture and shape, create mini worlds and also use these naturally found items in art and craft activities. This range of products is ethically sourced from private and sustainable plantations. They are all excess materials that would normally be discarded. No items are taken directly from natural forests. Size, colour and shape may vary. Supervision required.

Naturally found resources

Natural Botanicals Kit

The kit includes the following natural items: Small Driftwood (TH0048), Large Green Pods (TH0049), Flower Pods (TH0056), Wooden Discs (TH1111), Large Lotus Pods (TH0011), Small Pods (TH0021), Natural Bark Pieces (TH0031), Brush Cones (TH0041), Dried Sunflowers (TH0051), Spikey Pods (TH0071) and Pine Cones (TH0020). Contents may vary. The size, colour and shape of these natural items will vary as the items are naturally grown.
