*'I have found Modern Teaching Aids extremely professional and efficient with our Back to School orders this year. The website is easy to use, and I know exactly what orders I have placed previously and how much we've spent. Louise is always ready to help in anyway and keeps me up to date with specials. I can recommend them highly for all classroom products and stationery.'*

## Dotted Thirds

The dotted thirds lines used in these notebooks provide visual structure to assist children in the formation of letter. All tall and capital letters use the top two spaces and all tail letters use the bottom two spaces, helping to create evenly spaced letter formation. Ground/Grass/Sky rulings is the latest version of this method and employs colour to assist in visualising letter formation.
