### Geo Shape Lacing

Geo Shape Lacing is a colourful, geometric new look for a classic lacing activity toy. Set includes 3 oversized geometric lacing boards and multi-coloured laces. Children can experiment with colour, patterns, letters, and pictures within the frames. Creativity guides are included to aid teachers in fun classroom activities. The chunky wooden frames with reinforced corners secure the boards in place for added durability in preschool environments. These manipulatives are easy for little hands to grasp and are for developing essential and cognitive skills including fine motor skills, hand-eye coordination, as well as visualization and process. Suggested Age: 3+ Years.

**GC6801** **Set of 3** **\$64.95**

**NEW**

### Barnyard Activity Boxes

Can you count them all? One red horse, two orange cows, three yellow sheep, four green pigs, five blue geese, and six purple chickens. But don't forget the six barns as well. Our 28-piece set features six wooden barns and their corresponding farm animals to help with counting, sequencing, shape-sorting, colour-matching and more! Each barn has the animal screened on one side; a shape-cutout on the opposite side; a barn door with child-friendly elastic hinges; and a colour-coordinated acrylic panel so children can see who lives inside each barn! A great combination of dramatic play and educational elements all wrapped up in one! Each barn measures 10.5(H) x 8.5(W) x 9(dia)cm. Ages 2+ years

# Training2s

exclusive

K's Kids has specially developed a series of toys called Training2s, which has been created to help children improve their skills in developmentally key areas. The activities are designed to improve hand-eye coordination, sensory integration, body balance, fine and gross motor muscles, emotions and logical sequence. These are developed by education specialists with professional knowledge in child development and learning.

## Training2s – Sensory Integration Kit

PK2100K Kit \$304.95

exclusive

Specially developed resources designed to help children to improve their sensory integration. Kit includes calming shoulder pad, small calming lap pad, large calming lap pad, oral muscle teether set of 4 and a resistance tunnel.

~~\$339.60~~  
**NOW ONLY \$304.95**  
 SAVE \$34.65

exclusive

### 1. Calming Lap Pad

Improve focus and concentration with these calming and comforting lap pads. Some children may be easily distracted by the external environment. They find it hard to focus and concentrate during study. Weighted lap pads can improve the sensory processing for children. The lap pads are designed for children who have trouble sitting still. Put the weighted pads on your child's thighs. This can enhance his/her proprioception and increase the awareness of the position of his/her body. It can also give your child a sense of security, help him/her to stay calm and reduce anxiety. Small - Weight: 1.36kg. Size: 60(L) x 22cm(W). Large - Weight: 2.27kg. Size: 70(L) x 25cm(W). Ages 3+ years

PK21002	Small	\$70.95
PK21003	Large	\$84.95

exclusive

### 2. Calming Shoulder Pad

Improve focus and concentration with this weighted shoulder pad. Some children may be easily distracted by the external environment. They find it hard to focus and concentrate during study. This may be because of a sensory processing problem. Put the weighted pad on your child's shoulders. This can enhance his/her proprioception and increase the awareness of the position of his/her body. It can improve sensory processing and concentration. It can also give your child a sense of security, help him/her stay calm and reduce anxiety. Weight 0.78kg. Size: 26(L) x 42cm(W). Ages 3+ years

PK21001	Each	\$51.95
---------	------	---------

exclusive

### 3. Resistance Tunnel

18+ mths

Develop body awareness and motor planning. The vestibular system is important for children's balance and control of body postures. Let children crawl through the Resistance Tunnel to strengthen their arms and legs and receive proprioceptive input. The Resistance Tunnel is made of elastic fabric, so it wraps itself around children's bodies while they are crawling. There are also different textures inside the tunnel to stimulate children's senses. This training tool allows children to experience varying degrees of resistance and deep-touch input. It also reduces sensory and tactile defensiveness. Size: 180(L) x 39cm(W).

PK21005	Each	\$70.95
---------	------	---------

~~\$60.80~~  
**\$52.95**  
 SAVE \$7.85

exclusive

### 4. Oral Muscle Teether

This easy to hold teether will help train mouth and jaw muscles. Mouth muscles are closely related to the skill of speech and articulation. The normal swallowing action requires coordination of jaws and tongue. Size: 10.5(L) x 7.5(W)cm.

PK21015-4	Pack of 4	\$52.95
PK21015	Each	\$15.20

Basics for beginners

**Yoga and You CD**

Improve overall well-being with yoga. These routines offer breathing exercises that can be done standing or seated, encourage balance using inverted postures, and reduce stress with relaxation techniques. Ages 6+ years

Tactile Play

**Caterpillar Stacking Game** NEW

This adorable Caterpillar Stacking Game exercises fine motor skills and fun-filled sensory exploration, along with sorting, matching and sequencing skills. This sweet manipulative toy is made up of rounded, chunky, tactile shapes that can stack to create a variety of colourful caterpillar families. The pegged base allows for stacking multiple angled, color-coded blocks. Set includes colour-matching activity cards and card stand. Suggested Age: 2+ years.

GC6731 Each \$64.95

**Perception Semi Spheres**

When a hemisphere is placed on top of an object it magnifies it by 4 or 5 times to give a view that is both a different colour and enlarged.

CT2602 Set of 8 \$116.95

**Training 2s – Sensory Marble Maze**

exclusive

Babies learn through senses and rely on touch or tactile sense to experience the world. The Sensory Marble Maze features 3 soft mazes, each filled with 1 marble. Children use their fingers to push forward the marble along the twisting path till they reach the other end. This action will reinforce children's finger muscle, eye-hand coordination, improve their focus and concentration. This toy is also useful for children with tactile defectiveness as the continuous tactile input will help desensitise their tactile senses. Size: Lizard: 33cm x 16cm, Owl: 22.3cm x 22cm, Fish: 18cm x 20cm. Ages 2+ years

PK21022 Set of 3 \$43.95

**Sensory Rainbow Glitter Balls**

A perfect resource for young children with fascinating sparkling stardust that swirls around the inside of the balls as they are moved. Ideal for captivating the imagination and improving concentration skills. Set of 7 in red, silver, gold, green, blue, pink and blue. Size: 65mm in diameter. Ages 3+ years

CT2098 Set of 7 \$58.95

**Squidgy Sparkle Numbers**

Filled with safe colourful liquid and glitter, these Squidgy Sparkle numbers can be folded and squeezed. Excellent for light boxes, and introducing literacy and mathematical concepts. Includes 10 numbers, each measuring approx. 15cm. Ages 3+ years

TTS576 Set of 10 \$93.95

### Tactile Perception Pack

Tactile Play

SAVE \$10<sup>00</sup>

**Feely Tubs**

Feely tubs are perfect for concealing items from children and getting them to use their sense of touch to identify the contents. Children will learn about texture and shape and will create their own guessing games with endless possibilities. Younger children will combine learning about colour, shape and texture while developing their memory and imaginative skills. Set consists of 4 stackable pots that are light, portable and easy to store. Each tub is 15cm high and 12.5cm in diameter. Ages 3+ years

ZZ9030 Set of 4 \$58.95

**Matching Texture Feely Bag**

The felt pieces in this bag have Velcro attached at the top/back so that the child can orientate each piece before naming. The Velcro also allows for the pieces to be used with felt boards. Ideal for shape recognition, language development and early numeracy and literacy activities. Total of 20 pieces. Ages 3+ years

KD12730 20 pieces \$25.70

**Teaching Tac Tiles**

Tactile learning is a bag full of fun! Colourful, engaging pieces with rich textures (smooth, bumpy, ridged, and rough) provide a great way to engage a child's senses and strengthen fine motor skills. Reach into the bag to find two matching shapes or textures only by touch, or follow the Activity Cards. Learn shape identification while building vocabulary, and early maths skills. Includes 20 pieces in 5 shapes and 4 textures, and 10 Activity Cards. Shapes measure 5cm in length. Ages 3+ years

LER9075 Each Set \$39.95

**What's Inside? Soft Feely Box**

Little ones can't wait to get their hands inside this adorable box to find out exactly what's inside! The soft, machine-washable box is packed with 10 different sensory objects for kids to feel and explore, like a silky butterfly with crinkly wings, a cute lion with a corduroy coat, a shiny frog for tots to squeak and more. Plus, a big 10cm opening on top makes it extra-easy for kids to reach right in and feel around! The box measures approximately 17.7cm square. Ages 18+ months

LS909 Box of 10 \$152.95

**Touch and Match Domino Game**

There are 10 different textures to explore with this game. The board contains identical textures to those found in the small individual cups. The aim is for children to match the textures in the cups to the textures on the board. The board measures 27.5(L) x 11(W)cm. Ages 3+ years

LB8483 Each Set \$18.70

**Feel and Find Game**

Tactile development is in the bag, in this game. After selecting a tile, the child reaches into the bag and feels for the corresponding piece. Includes 22 colourful, wooden shapes with matching tiles in a drawstring bag. Easily varied to suit many skill levels by changing the number of pieces or removing the more detailed ones. Ages 3+ years

CUS0356 44 pieces \$58.95

**Pound a Ball Tower**

Pound the balls from the top and enjoy watching the colourful balls rolling through the rainbow track! This is a great toy for eye tracking and motor skills. Made from plantation timber. Tower measures 16(D) x 40(H)cm. Ages 3+ years

QGP019 Each \$75.95

**Marble Run**

This 40 piece set includes 10 x ramp components, 25 x blocks and accessories and 5 marbles. The ramps join together using a simple nesting mechanism so the marbles run down easily any track that you build. Accessories include tunnels, a bell, a direction changer and an arrangement of different blocks to make amazing tracks. Made from Plantation Wood. Ages 3+ years

BBR021 Each \$46.95

**Sound Matching Gem Blocks**

Match these beautiful wooden sensory blocks by the sound they produce or the gem colour on top. Set of 12 blocks that feature 6 different sounds to match. Explore auditory ability, sound memory and attention to detail. Block set comes in a storage bag. Each block measures 4.5cm square. Ages 2+ years

GD318 Set of 12 \$70.95

**Tip me over**

**Wooden Rain Maker**

Turn the wooden tower upside down and watch the colourful balls cascading down! This toy offers a fun way for young people to explore the concept of gravity and sound. All balls are fully enclosed. Tower measures 10(D) x 26(H)cm. Ages 6+ months

QGP40 Each \$52.95

**Discovery Windows**

Add a fascinating new look to block play with these innovative hardwood framed blocks. Discovery windows give the ability to open the attached ends of the 10cm square blocks and add interesting collections of items. Set contains 8 blocks. Contents not included. Ages 3+ years

CUS9008 Set of 8 \$105.95

**Sensory Blocks Set**

Good for building, comparing and sorting. Each block has a different set of properties - shape, colour and type of insert. The blocks are an ideal resource for using on a light box (sold separately). Set includes 16 blocks in 4 colours and 4 different inserts (acrylic, sand, beads and water). The rectangle measures 14(L) x 7(H)cm. Multiples shown. Ages 3+ years

CT3281 Set of 16 \$152.95

**FREE freight on all orders over \$99.** Conditions apply, see website for details.

Tactile Play

**Sensory Stacking Towers**

Perfect for sensory activities, this set contains 39 exploration rings in a variety of textures and materials such as: brush, wood, cloth, plastic, twine, beads and more. Also included are 3 wooden stands and 1 cloth bag. Supplied in a wicker basket. Ages 3+ years

DY103239                      Each Set                      \$421.95

**Sensory Pack**

Explore a natural variety of materials with this matching and sorting game. Set of 5 pairs, which are all made using natural fibres that are coloured using non-toxic dyes. Includes stone, wood, crochet, felt. Made in Nepal with love and fair trade labour. Hand made from natural materials using old techniques such as felting. Surface clean only. Calico storage bag included. Size: approx. 8 to 10cm. Ages 3+ years

PAP272                      Set of 10                      \$46.95

**Rainbow Ball and Bowl Set**

This sensory set is ideal for colour matching and sorting. Set includes 7 coloured bowls, each with 7 felt balls that invite players to collect and sort. The small felt balls will assist in fine motor development. Made using natural fibres that are coloured using non-toxic dyes. Made in Nepal with love and fair trade labour. Hand made from natural materials using old techniques such as felting. Surface clean only. Calico storage bag included. Size: bowl 10(W) x 6cm(H), balls 3cm(D). Ages 3+ years

PAP248                      Set of 7                      \$152.95

**Mystery Sensory Balls**

A set of 6 reflective mirror balls that look identical but all have individual characteristics. Some wobble when rolled, or turn and won't roll in a straight line, some feel funny when twisted, spun or shaken, and others make different shaker or rattle sounds. The shiny mirror surface provides a distorted fish-eye lens reflection, which is fascinating for children to observe. Size: 10cm(D). Age: 6+ months

CT2203                      Set of 6                      \$116.95

**Natural Sorting Stones**

Children will enjoy sorting by colour, ordering by size, stacking and matching while younger hands will simply like to hold and experience the different sizes and weights the set offers. Set of 12 in three different sizes and four colours. Durable for use in sand, water and outdoors. Handy storage bag included. Size: large stone 8cm, small 5.5cm. Ages: birth+

YD1039                      Set of 12                      \$58.95

**Sensory Stones**

Set of 8 stones featuring four raised/bumpy designs (circles, dots, wavy lines and a grid) and four indented/hollow designs (circles, lines, zigzags and a spiral). Teacher's guide included. Stones measure 7.5cm. Ages 3+ years

YD1022                      Set of 8                      \$105.95

**Twiggles Toss**

Combining the fun of classic ring toss and bean bag toss with the added challenge of a rockable base, Twiggles Toss helps develop hand-eye coordination and aiming skills. Children can use the bean bags and different sized rings to create various targets and game designs every time they play. Contents include 1 x Rocking base (25(L) x 18(W) x 6.5(H)cm), 1 x Y-shaped twig (32 x 24 x 5cm), 6 x Animal rings (3 x bear 21cm and 3 x monkey 16cm), 4 x Bean bags (6 x 6cm each - 1 x red, 1 x yellow, 1 x blue, 1 x green). Ages 2+ years

WY1505	Each Set	\$64.95
--------	----------	---------

**Tai Chi Ball**

The 'twist and turn' activity in this Tai Chi ball encourages hand-eye co-ordination and cognitive development. It can also strengthen the flexibility of children's wrists. The ball has a diameter of 20cm. Ages 4+ years

Balance & Movement

**Tai-Chi Balance Board – Small**

There are many ways children can interact, balance and play with this large play board. The two interchangeable discs can be added for more fun and challenge. The coupling discs can also be used individually as handheld toys for hand-eye coordination training. Contents include 1 balance board (diameter 48cm) and 3 balls. Maximum weight capacity is 60kg. Ages 3+ years

WY1504                      Each                      \$77.95

**Seesaw**

This fun-filled dual purpose seesaw can be used for side to side balance as well as a combination ball run balance board. The players need to run the ball along the track while keeping balance. Contents include 1 seesaw (50(L) x 23(W) x 9(H)cm) and 2 balls. Maximum loading: 60kg. Ages 3+ years

WY1501                      Each                      \$64.95

**Rocking Seesaw**

The seesaw uses a rubber anti-slip design that not only prevents injury but allows sensory stimulation as well. The left-right walker movements target co-ordination development. The seesaw measures 55(L) x 24(W) x 15(H)cm. Supplied in assorted colours. The maximum weight capacity is 60kg. Ages 3+ years

WY904                      Each                      \$81.95

**Maze Balance Board**

An incremental balance board that elevates balance co-ordination to a higher level. The snail labyrinth pattern on the board provides challenge and amusement in ball rotation. It measures 54(L) x 40(W) x 2.5(H)cm. Supplied with 3 balls. The maximum weight capacity is 80kg. Ages 3+ years

WY801                      Each                      \$58.95

**Floor Surfer – Green**

2+ yrs

The floor surfer appeals to children and combines play and the training of motor skills. It's been developed in partnership with children's physiotherapists to ensure safe use by any child irrespective of motor skills level. Includes 4 small wheels with double ball bearings. Made of plastic with EVA foam on the surface. It measures 56(L) x 37(W) x 14(H)cm. Maximum weight load is 100kg.

GJ2168                      Each                      \$204.95

**Vestibular stimulation**

**Carousel Balance Disc**

Exciting mini carousel! giving children a real spin! The plastic seat measuring 56cm in diameter is placed at a slight angle to allow the child to propel the carousel by shifting the body's centre of gravity. Younger children are also able to set the seat in motion by pushing off with their feet. The seat has a thick edge to make it easy for children to get a good grip and hold on when the carousel is moving. Playing with the carousel strengthens muscles. Ages 3 to 10 years

GJ2167                      Each                      \$233.95

## Weplay

exclusive

Weplay's goal is to create educational products that promote children's communication and motor skills and stimulate their creativity while they learn happily. The expertise Weplay has in early childhood education leads to practical and fun designs.

### Rainbow River Stones

A set of six rainbow river stones in three different sizes and textures. An interactive game that can have multiple layout designs by rotating the pieces or stacking them. It improves motor skills and self-confidence in children. The largest stone is 13cm high and 40cm in diameter. There are 2 pieces of each stone and the maximum weight capacity is 80kg. Multiples shown. Ages 3+ years

WY0008 Set of 6 \$233.95

### Throw N Hit

Throw N Hit is a very useful and playful indoor training tool to develop gross motor skills, balance and posture. It can also help release children's anxiety and anger to keep them emotionally stable. Hang the target mat onto a sturdy and stable place such as the wall or a door. Then, toss the bean bags to the matching colour area. Includes target mat and 4 bean bags. Target mat measures 50(W) x 60(H) cm and bean bag 9(W) x 9(H) x 3(D)cm. Made of fabric. Ages 2+ years

### Hand-eye coordination

**Matching and Fishing Game** 

A great opportunity to learn the names of ocean animals, this solid wooden box contains 8 different kinds of ocean animal pieces, which children can pick up with the magnetic rod and then match them to the cut-out shapes on the box. A fantastic game for developing manipulative skills and improving hand/eye co-ordination. The box measures 16.5(L) x 16.5(W) x 10(H)cm. Ages 2+ years

**GD865 Each \$105.95**

**Learn to Sort & Recycle Magnetic Game** 

Practise sorting and recycling common household items and foods into the coloured waste bins. This game requires players to use their fine motor skills and hand/eye coordination to manipulate the magnetic wand across the acrylic board. The magnetic pen is secured to the board for ease of use. Board measures 37cm square x 1.7cm thick. Ages 3+ years

**GD110 Each \$78.95**

**Magnetic Super Challenge 2 Game** 

Move the bright and colourful geometric tiles with the magnetic wand to create shapes on the wooden grid board. Promotes hand/eye coordination, motor skills, colour recognition and pre-writing skills. Board measures 29.4cm square x 1.94cm thick. Ages 3+ years

**GD301 Each \$58.95**

**Magnetic Challenge Game** 

Excellent for improving motor skills and hand/eye coordination, this game can be played with two players who compete against each other in terms of who can slot their pieces in the correct positions first. They can move the pieces with the magnetic pens (included). A total of 19 coloured pieces. Measures 37cm square x 1.8cm thick. Ages 3+ years

**GD801 Each \$105.95**

**Number Magnetic Wand Maze**

Fill each basket with the correct number of red "apples" by guiding the attached magnetic wand over the board. Wooden backing board with non-removable clear cover. Board measures 30.5(L) x 23(H)cm. Ages 3+ years

MND2280 Each \$46.95

**Dino Eggs Counting Game**

This bright and colourful magnetic Dino counting game is perfect for improving children's fine motor skills and essential concept of colours, numbers and order sequences. The board measures 35.6cm square x 1.7cm thick. Colours may vary. Ages 3+ years

GD508 Each \$87.95

**Catch & Count Fishing Game**

The 10 magnetic fish are numbered and patterned to enrich matching, sorting, and counting activities, and two wooden rods make collecting them a blast! Kids can use the spinner to play as a game, or just have fun collecting the pieces over and over again. Either way, there's plenty of fun in this sea! Suitable from 2 yrs+

MND5149 Each Set \$60.95

**Count & Sort Magnetic Gems**

This game offers players a combination of sorting, counting and pre-writing activities. Children guide the magnetic pen across the acrylic board to magnetise the colourful gems and slot them into the numbered columns. Set includes 12 double-sided pattern cards.

GD305 Each Set \$105.95

**Magnetic Fishing Set**

Children get a bite every time they play with this magnetic fishing set and build essential hand-eye co-ordination skills too. Using 4 poles fitted with safe, magnetic 'hooks', children fish for 18 sea creatures that are weighted to float upright. Poles are adjustable so even tots can enjoy frustration free fishing. Poles are 48cm long. Ages 3+ years

LS724 Each Set \$81.95

**Junior Labyrinth Square**

The object of this game is to move the balls with the pens from top to bottom without hitting the barriers. Children must learn to think logically and a few steps ahead if they are to succeed. Suitable for 2 players. Measures 30cm square x 1.6cm thick. Ages 3+ years

GD823 Each \$79.95

**FREE freight on all orders over \$99.** Conditions apply, see website for details.

**FREE freight on all orders over \$99.** Conditions apply, see website for details.

## Hand-Eye Coordination

### Nexus Giant Peg Board

The Giant Peg Board helps young children learning to write, and also benefits older writers who struggle with handwriting. Giant Pegs encourage the development of the dynamic tripod grasp while gripping the pegs and pushing them into the board strengthens the relevant finger and hand muscles. Set contains: 40cm square peg board, 25cm square dry-wipe template 24 x 25cm, work cards, 100 giant pegs and instruction sheets. Ages 3+ years

NX7015 Each Set \$128.95

### Beanstalk Mosaics Game

Stackable plastic bean pieces for 2D and 3D creations. This set develops hand/eye co-ordination and enhances colour recognition and cognitive abilities. It includes 180 plastic bean pieces in 6 colours, 2 boards (20cm square), 2 mirrors (7 x 17cm) and 4 sticks (7.7 x 1.5cm). Children can use the sticks to either pull out the pieces or to use them as stands for supporting the mirrors. Ages 3+ years

WY2008 Each \$134.95

### Stick Six

Stick Six encourages early strategy, fine motor skills and planning. Stick the suction cups to the translucent honeycomb board and try to get six in a row before your opponent! Board spins so all players can play from the front or for 2-player games, one player can play on each side of the translucent board. This seemingly simple game can be as complex as the strategies of the players, so it's great for family play and players of different ages. Suction cups can be gently washed with soap and water to renew the stickiness. Includes spinning translucent game board with stand, four colours of hexagonal suction pieces (256 total). 2-4 players. Ages 6+ years

FBT1221 Each \$58.95

### Design & Drill Activity Centre

Children will love using this drill centre to create their own designs, or to follow the set's activity cards to make pictures and patterns, from trains and boats to flowers and fish. Just snap any one of the drill bits into the power drill or the screwdriver handle, grab a handful of big bolts and turn on the learning fun. Includes 20 activity cards, a power drill and 120 big bolts. Drill requires 3 x 'AA' batteries (not included). Ages 3+ years

EN4112 Each Set \$93.95

### TotBot Builders

Learn essential early skills while creating your own unique robot friend! Stack and twist the nuts using the handy, easy-to-hold wrench. Twist to build fine motor skills and use the colourful pieces to develop counting (1-5), and shape and colour recognition skills. Stack the pieces underneath, on top, or in the middle for creative learning fun and to provide the perfect introduction to early construction. Includes 2-piece TotBot, 5 number and shape nuts, 1 detachable bolt, and 1 wrench. Measures 20(H)cm when complete. Ages 2+ years

LER7734 Each \$32.95

### Tall Stacker Pegs Building Set

A child's first building set designed to expand their learning experience. This three-dimensional stacking set teaches children to think ahead as they plan where they will set the Tall Stacker Pegs to build the next platform as well as teach shape, size, and colour relationships. ### Hush Buddy™ Hearing Protector

The Hush Buddy is designed for children who need increased quiet for sensitivity reasons if they have heightened auditory sensitivities or just need increased quiet for focused activities such as reading. Each Hush Buddy features an industry leading noise reduction rating (NRR) of 27dB. Featuring comfortable, cushioned ear pads that go around, not resting on, the ears to block out the maximum amount of external noise. The padded headband helps distribute the weight, making it extremely comfortable, even when worn for longer periods of time. The Hush Buddy is designed to fit smaller heads. There's no assembly required, just put a Hush Buddy on and it's ready to go to work. Size: 18(L) x 15(W) x 18(H)cm. Age 5+ years

CN1700	Each	\$46.95

Language & Communication

**Let's Get Talking Practical Book**

This practical book provides a wealth of exciting ideas to boost the communication skills of children. Each page features an engaging activity that is easy to set up and offers options for simpler, harder and extension activities. Games can be played with individuals, in pairs and in small groups throughout any early years and primary setting. Size A4. 50 pages.

YD3018 Each \$52.95

**Supporting Quiet Children Practical Book**

Help reluctant talkers become confident talkers. This book focuses on quiet, shy and sensitive children and those with extreme anxiety about talking. The detailed introduction explains why some children need support and explains some of the reasons that can cause a reluctance to communicate. It includes 40 exciting tried and tested activities and provides straightforward advice on how you can create a positive and supportive atmosphere in your setting. Size A4. 52 pages.

YD3017 Each \$52.95

**Let's Talk Behaviour Practical Book**

Drawing on over 30 years' experience, Wendy Usher shares practical ideas and suggestions to promote effective communication and encourage positive behaviour. Taking a child-centred approach, she looks at the possible reasons for behaviour, such as an underlying impairment or sensory overload, and explores what support can be offered to children experiencing such difficulties. Size A4. 65 pages

YD3022 Each \$52.95

**Flashcards**

**exclusive**

Use these 50 double-sided flashcards to help young children develop early reading and number skills. Each card features a bright illustration together with the word identifying what is pictured. On the reverse of each card is the word printed on its own. Size: 19(L) x 14(W)cm. Age 3+ years

OC019 50 cards \$26.95

**Training 2s  
– My Picture Diary**

2+ yrs

My Picture Diary helps children develop organisation, sequencing and language skills. Children can organise their own diary using 20 daily activity cards. Select the planned activities and put the cards into pockets according to the sequence. This helps children understand what to do and what will come next. Children can then describe what they have done, which helps improve their communication and language skills. Includes 1 diary board, 20 daily activity cards and 6 weather cards. Size: 31.5(W) x 37.2(H)cm.

Social & Emotional

**Training 2s – Look at Me Feelings Game**

This game helps children develop social interaction skills. Some children may have difficulties in expressing their feelings and understanding others' feelings. These children normally will avoid direct eye contact with others. It is difficult for them to process the information received through normal eye contacts. This game is designed to help children to familiarise the relationship between eye expressions and feelings. It comes with two hand puppets and different facial features and accessories. The eyes, mouths and eyebrows can be placed in different positions to show different emotions and help children understand them. Size: 22(W) x 16.5(H)cm. Age 3+ years

PK21028                                      Each Set                                      \$46.95

**Emotion-oes Game**

A new twist on a long beloved game of dominoes: Emotion-oes. Instead of matching numbers, players will match emotion icons with same or matching name pieces. The pieces are larger than the standard domino to make them easier to grasp. This fun game with child-friendly and colourful art will help children recognise and identify emotions. Comes with 56 emotion-oes cards. 2-6 players. Ages 4+ years

CD0022                                      56 cards                                      \$35.95

**Moods and Emotions Book Set**

exclusive

Help young children explore different emotions and learn how to deal with them. Set of 6 engaging paperback books featuring bright images of children and clear text. Each book is 24 pages each and measures 18 x 15cm. Ages 3+ years

Featuring the four emotions that young children most readily identify and experience – happy, sad, surprised and angry. The set includes two examples of each feeling so they can use them for matching activities. Durable and washable, they are cast from a unique replica stone mix and can be used outdoors and in sand and water. Each stone measures approx. 7cm.

YD1071 Set of 8 \$70.95

4+ yrs

**Game of Emotions**

This game lowers the barriers on talking about feelings. Children learn to express their own emotions, to be open to the emotions of other children and to learn to respect these emotions. They learn to give and receive compliments. To express the various emotions, the children can use different styles of expression such as drawing, rhythm and music, body expression and just talking about things that happened. The game is played with one counter. Throw the dice in turn and take a card that matches the face on which the counter lands. Give the card to one of the other players. The person receiving the card is invited to express his/her particular emotion and responds to the card as indicated by the assignment on the other side. Suitable for 2-4 players. Size: 39(L) x 39(W) x 4.8(H)cm.

RO4087 Each \$105.95

**My Feelings Centre**

The My Feelings Centre helps children identify emotional states both in themselves and others. 36 scenarios pictured in the My Feelings booklet helps children to understand feelings and reactions to different situations. Child can imitate different expressions in the mirror so they can recognise their own expressions. Educators can also take photos of their children's different facial expressions and then put them onto the My Feelings learning board. This training helps children develop their social interaction skills. Includes 1 x My Feelings Learning Board and a My Feelings booklet (36 pages). Size: 44.5(L) x 31.8cm(W).

PK21010 Each \$46.95
