Ergerite Tables

NEW

These lightweight and robust tables are perfect for the library, primary school or high school classrooms. The table tops are made from a fire retardant particleboard, and are coated with a high quality, grey laminate. The high quality, moulded edge adds extra durability and strength. The legs feature a rubber base to help prevent scratching and can be adjusted to stabilise the table. The tables are available in 2 sizes. Early primary school will require the tables adjustable from 38 to 60cm high. Upper primary and high schools will require the tables adjustable from 52 to 74cm high

ERGERITE

Ergerite – Flexi Stool

A versatile and active learning seating option for the classroom. Helps to promote children's engagement due to the ability to gently move and rock on the stool. The stool is excellent for the general classroom as well as children with special needs due its active movement. Encourages mobility and core strength when seated. Supports an active learning environment where physical movement is used to support focus, memory and cognitive development. It is compact and lightweight, and features a non-slip, rounded base. Measures 33(W) x 33(D). Available in 3 heights.

NATURAL SPACES

Natural Spaces – Heavy Duty Low Adult Chair

A high quality low chair for libraries and flexible learning spaces. This chair is designed around OH&S ergonomic data to provide a comfortable and stable design. We have designed a chair which accommodates student and teacher comfort while working at lower heights. This chair is the result of tests that use the innovative ViSafe movement sensing technology. These tests have resulted in a chair which is specifically designed to provide older students and adults a comfortable and stable seat while working at low levels.

Carpet for 30 Children

There really is a place for everyone on this giant, kid-friendly carpet. With lots of big, bold squares in 5 vibrant colours, this giant-sized carpet provides plenty of seating options for the whole class! The extra-roomy squares give each child lots of space to sit and play, while the colour-coded rows make it easy to divide the class into small groups. This 365(L) x 270(W)cm carpet seats up to 30 children.

Ergerite Height Adjustable Stool

A comfortable and flexible stool for the classroom. Can be adjusted from 40 - 54(H)cm. Features castors and a padded PVC seat.

UB001 40-54cm high \$93.95

NEW

Ergerite Standing Desk

Adjustable standing desk

A flexible and ergonomic addition to any school classroom. This table features side levers which allow the table to adjust in height from 73cm up to 103(H)cm. The table features a moulded edge for extra durability, an easy to clean wood-look melamine top and 2 castors for extra manoeuvrability. We recommend 2 people are needed when adjusting the height of the table.

HS158 120 x 60 - 73-103cm high \$432.95

Features a curved base for active learning

Ergerite - Flexi Stool

A versatile and active learning seating option for the classroom. Helps to promote children's engagement due to the ability to gently move and rock on the stool. The stool is excellent for the general classroom as well as children with special needs due its active movement. Encourages mobility and core strength when seated. Supports an active learning environment where physical movement is used to support focus, memory and cognitive development. It is compact and lightweight, and features a non-slip, rounded base. Measures 33(W) x 33(D). Available in 3 heights.
