Nitrile Powder-Free Gloves

These disposable nitrile gloves are comfortable to use, powder-free and are of professional quality. Nitrile gloves offer excellent sensitivity and elongation. Improved technology allows thinner gloves to be manufactured, without sacrificing the glove's ability to protect effectively against oil-based chemicals. Nitrile has excellent barrier protection providing three times more puncture resistance than latex. These gloves come in three sizes: small, medium and large. Also available in two colours (blue or white).
