Same, But Little Bit Diff'rent

'Same, but little bit different.' Told in the stunning collage artwork for which Kylie Dunstan is acclaimed, the story is related by a child living in a southern city and her friend Normie, who lives in the top end. As they compare notes about their lives, activities and interests, they discover how very much they have in common, despite their contrasting environments.

Ergonomically tested & designed for adults

Natural Spaces - Heavy Duty Low Adult Chair

OHS ergonomic assessments have identified the need for a low chair which is designed for adult use. This chair is the result of tests that use the innovative ViSafe movement sensing technology. These tests have resulted in a chair which is specifically designed to provide adult educators a comfortable and stable seat while working at low levels.
