**Siqura Foaming Hand Sanitiser**

SIQURA™ Antibacterial Hand Sanitiser is a simple and effective way to stop contact-based infection. It is alcohol-free and helps keep your skin soft and healthy. It is suitable for use by children, and can be used around food, pets and plants. Unlike traditional alcohol-based hand sanitisers that only provide short term protection, our unique QuatLok technology creates an invisible microscopic layer of protection on your skin which continually destroys bacteria for up to 24 hours (assumes typical daily activity). Available in 50ml & 375ml pump bottles.

## Gloves

### Vinyl Powder-Free Gloves

These disposable vinyl gloves are comfortable to wear and are great for all food preparation and cleaning tasks. These gloves will offer protection from substances coming into direct contact with the hands and they help prevent cross contamination, allowing the user to dispose the gloves when they are finished. These gloves are designed with quality in mind and are powder-free while still being easily able to slip on and off the hands. These gloves come in medium, large and extra-large sizes.

### Nitrile Powder-Free Gloves

These disposable nitrile gloves are comfortable to use, powder-free and are of professional quality. Nitrile gloves offer excellent sensitivity and elongation. Improved technology allows thinner gloves to be manufactured, without sacrificing the glove's ability to protect effectively against oil-based chemicals. Nitrile has excellent barrier protection providing three times more puncture resistance than latex. These gloves come in three sizes: small, medium and large. Also available in two colours (blue or white).
