# Found Resources

A beautiful, natural selection of cones, twigs, wood cuts and chips to explore texture. Invites children to observe, compare, arrange and sort. Also perfect for creating natural craft and collages.

Large Green Pods

Dried Sunflowers

## Natural Botanicals

This range of natural botanicals is excellent for open ended, creative and inquiry based learning. Children can explore texture and shape, create mini worlds and also use these naturally found items in art and craft activities. This range of products is ethically sourced from private and sustainable plantations. They are all excess materials that would normally be discarded. No items are taken directly from natural forests. Size, colour and shape may vary. Supervision required.

## Naturally found resources

### Natural Botanicals Kit

The kit includes the following natural items: Small Driftwood (TH0048), Large Green Pods (TH0049), Flower Pods (TH0056), Wooden Discs (TH1111), Large Lotus Pods (TH0011), Small Pods (TH0021), Natural Bark Pieces (TH0031), Brush Cones (TH0041), Dried Sunflowers (TH0051), Spikey Pods (TH0071) and Pine Cones (TH0020). Contents may vary. The size, colour and shape of these natural items will vary as the items are naturally grown.

**Magic Sand 2kg**

Creativistics Magic Sand is a fantastic new sensory modelling material! Its unique kinetic properties make it soft and stretchy, easy to shape and mould and it won't stick to your hands. The texture is similar to slow-moving liquid - watch and feel it ooze through your fingers. Made from a special blend of microscopic glass beads and beeswax, our magic sand is non-toxic. Each set includes 2 x 1kg packs of sand, 5 shaping tools and a handy storage tub. Available in 6 colours. Ages 3+ years
