## Moveable Play Equipment

### Aussie Play PODS

Aussie Play Pods are a revolutionary playground system that bridge the gap between permanent playgrounds and moveable play equipment. You can now have a large-scale playground without all the expense and hassle that a traditional permanent playground would require.

With Aussie Play Pods there is no need to dig up your play area, no need for intrusive excavation machines and no need for a specialised playground install team. Our Pods system is 100% modular and configure to fit into your own unique play space. Their movability also allows you to provide new challenges for the children by adapting and changing pieces regularly. Aussie Play Pods are built to Aussie Play's high-quality standard; incorporating high quality materials such as hard-wearing aluminium that never rusts with our NEW multi-colour UV resistant HDPE panels with natural theme engraving and merbau timber.

Keeping in the theme of long-term durability we now have our poly-coated steel-wire core playground rope with high quality aluminium fittings and stainless-steel attachment eyelets. Give your outdoor area a flexible playground that will last for years and provide changeable and exciting challenges for the children.
