

Safety Data Sheet Easi-Grip Egg Chalk

2 3 March 2020

| | | | Date | 3 March 2020 |
|----------------------------------|---|--|---------------------------|---------------------------------------|
| SECTION 1 | | Product & Supplier Identificat | ion | |
| Product Name | | First Creations Easi-Grip Egg Ch | alk | |
| Other Names | | None | | |
| Product Code | | FCEGEC | | |
| Barcode Number | | | | |
| Recommended Use | | Children's egg shaped chalk for u | ise with art and craft | |
| Restrictions on Use | | None known | | |
| Company | • | Educational Colours Pty Ltd | | |
| ABN | | 61 005 708 967 | | |
| Address | | 2/43 Burgess Road, Bayswater, \ | /IC Australia 2152 | |
| | | +61 3 9729 0788 | vic, Australia 5155 | |
| Telephone | | +01 3 9729 0788 | | |
| Supplier Code | | Australia 12 11 20 (Deisona Inf | ormation Control | |
| Emergency Phone | Number | Australia – 13 11 26 (Poisons Info | ormation Centre) | |
| SECTION 2 | | Hazards Identification | | |
| Classification of the | hazardous | chemical | | |
| Physical haz | | Not classified | | |
| Health hazar | | Not classified | | |
| Environment | | Not classified | | |
| | | | | |
| | • • | utionary statements | | |
| Hazard symbols | | None | | |
| Signal word Hazard Statements | | None The mixture does not meet the criteria for classification. | | |
| | | The mixture does not meet the ci | | |
| Precautional | • | | | |
| Prevention | | Observe good industrial hygiene practices. | | |
| Response | | Wash hands after use. | | |
| Storage | | Store in well ventilated place. Keep container tightly closed. | | |
| Dispo | sal | Dispose of contents and containe | er in accordance with lo | cal regulations. |
| SECTION 3 | | Ingredient Composition / Infor | mation | |
| Chemical Entity | | <u>CAS No.</u> | Proportion | <u>(to 100%)</u> |
| Non-hazardous components | | | to 1 | 00 % |
| | | | | |
| SECTION 4 | | First Aid Measures | | |
| Description of nece | esarv first ai | d measures | | |
| Eye | | | st 15 minutes, lifting ev | elids occasionally |
| J - | Eye Irrigate with copious quantities of water for atleast 15 minutes, lifting eyelids occasiona Seek medical attention. | | | · · · · · · · · · · · · · · · · · · · |
| Skin | Wash off with soap and water. If any symptoms arise seek medical attention. | | | |
| Inhalation | Inhalation Move to fresh air. Seek medical attention if symptoms persist. | | | |
| Swallowed | Rinse mouth | with water. Give water to drink. See | ek medical attention if s | symptoms persist. |
| Personal protection | for first aid | responders | | |
| | | medical personnel are aware of the | material(s) involved an | d take precaution |
| | to protect the | • | 、 <i>,</i> | • |
| | - | | | |

Symptoms caused by exposure Direct contact with eyes may cause minor irritation.

Medical attention and special treatment

Provide general supportive measures and treat symptomatically. Keep under observation as symptoms may be delayed. Seek medical attention if symptoms persist.

SECTION 5 Fire Fighting Measures

Extinguishing equipment

Suitable Water, fog, foam, dry chemical powder, carbon dioxide. When choosing extinguishing equipment be aware of any potential hazard(s), example electrical.

Unsuitable Anything that could spread the fire and or risk the safety of surrounding personnel.

Specific hazards arising from the chemical

Gases hazardous to health maybe formed, including oxides of carbon.

Specific protective equipment and precautions for fire fighters

Self-contained breathing apparatus (SCBA) and full protective clothing (PPE) must be worn in case of fire. Combustible solid that burns but propagates flame with difficulty.

Hazchem Code Not available.

General fire hazards No unusual fire or explosion hazards known.

```
SECTION 6
```

Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

For non-emergency personnel

Keep unnecessary personnel away and upwind of spill. Wear appropriate protective equipment during clean up. Prevent contamination to drains / water ways. If spill cannot be contained contact local authorities. Collect and seal in properly labelled containers for disposal in accordance with local regulations. Heed advice under Section 8 "Personal Protection".

For emergency responders

Keep unnecessary people away. Heed advice under Section 8 "Personal Protection".

Environmental precautions

Avoid release to drains, water ways or onto the ground.

Methods and materials for containment and clean up

Large spills – If safe to do so, stop flow of material and contain spill. Collect and seal in clearly and properly labelled containers for disposal in accordance with local regulations. Small spills – Clean up with brush and shovel.

SECTION 7 Handling & Storage

Precautions for safe handling

Wear appropriate personal protective equipment. Observe good industrial hygiene practices. Always wash hands after handling the product.

Conditions for safe storage, including any incompatibilities

Store in a dry location away from incompatible materials, reducing agents, alcohols, ethers, diazomethane, fluorine, hydrogen peroxide, finely divided aluminium and magnesium as calcium sulphate reacts violently. Always keep containers tightly closed when not in use. Store in clearly labelled containers.

SECTION 8 Exposure Controls / Personal Protection

Occupational exposure limits (OEL's)

No OEL's noted for this product.

Biological limit values

No biological exposure values noted for this product.

Appropriate engineering controls

Use in a well ventilated area. If required use local exhaust ventilation. Provide an eyewash station.

Individual protection measures, for example personal protective equipment (PPE) Skin protection

Wear impervious gloves.

Hygiene measures Use and maintain good industrial hygiene. Always wash hands after use. Routinely maintain safety equipment. Do not eat, smoke or drink when handling this product.

| | Physical & Chemical Properties | | |
|---|---|--|--|
| Appearance | Solid (various colours) | | |
| Odour | Not available | | |
| Odour threshold | Not available | | |
| рН | Not available | | |
| Melt point / freeze p | oint Not available | | |
| Boiling point | Not available | | |
| Flash point | Not available | | |
| Flammability | Not available | | |
| Vapour Pressure | Not available | | |
| Vapour Density | Not available | | |
| Relative density | Not available | | |
| Solubility in water | Immiscible | | |
| Specific Gravity | Not available | | |
| SECTION 10 | Stability & Reactivity | | |
| Reactivity | This product is considered to be non-reactive under normal conditions of use, storage and transport. However, calcium sulphate reacts violently with reducing agents, alcohols, ethers diazomethane, fluorine, hydrogen peroxide, finely divided aluminium and magnesium. | | |
| Chemical stability | This product is considered to be stable under normal conditions of use, storage and transport. | | |
| | | | |
| Possibility of hazar | dous reactions No hazardous reaction known under normal use. | | |
| | | | |
| Possibility of hazar Conditions to avoid Incompatible mater | No hazardous reaction known under normal use. | | |
| Conditions to avoid | No hazardous reaction known under normal use. I Contact with incompatible materials. ials | | |
| Conditions to avoid | No hazardous reaction known under normal use. I Contact with incompatible materials. ials Avoid oxidising agents, nitrates, oxidising acids, chlorine bleaches, pool chlorine as ignition may result. | | |

Information on possible routes of exposure

InhalationNo adverse effects expected due to inhalation.Skin contactMinor irritation may be expected in some individuals.Eye contactMinor irritation may be expected in some individuals.IngestionExpected to be low ingestion hazard.

| Symptoms related | to exposure Minor irritation in some individuals, Skin contact - symptoms may include redness, heat and itching. Eye contact - symptoms may include stinging and redness. | | | | |
|--|---|--|--|--|--|
| Acute | No specific data available. | | | | |
| Skin corrosion / irritation Prolonged skin contact may cause minor irritation in some individuals. | | | | | |
| Serious eye damag | nage / irritation May cause minor irritation in some individuals. | | | | |
| Respiratory or skin | Not a respiratory sensitizer. Not expected to cause skin sensitisation. | | | | |
| Carcinogenicity | No data available. | | | | |
| Reproductive toxic | ity This product is not expected to cause reproductive or developmental effects. | | | | |
| Chronic | Substance accumulation in the human body may occur and may cause some concern following repeated or long term occupational exposure. | | | | |
| Additional Information This product does NOT contain, Egg, dairy, soy, seafood, shellfish, wheat or peanut products, by-products or derivatives. | | | | | |
| | | | | | |
| SECTION 12 | Ecological Information | | | | |
| Ecotoxicity | Ecological Information No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Dispose of contaminant in accordance with local landfill or incineration regulations. | | | | |
| | No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Dispose of contaminant in accordance with local landfill or incineration regulations. | | | | |
| Ecotoxicity | No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Dispose of contaminant in accordance with local landfill or incineration regulations. egradability No specific data available. | | | | |
| Ecotoxicity Persistence and de | No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Dispose of contaminant in accordance with local landfill or incineration regulations. egradability No specific data available. | | | | |
| Ecotoxicity Persistence and de Bio accumulative p | No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Dispose of contaminant in accordance with local landfill or incineration regulations. egradability No specific data available. No specific data available. | | | | |
| Ecotoxicity Persistence and de Bio accumulative p Mobility in soil | No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Dispose of contaminant in accordance with local landfill or incineration regulations. gradability No specific data available. No specific data available. No specific data available. | | | | |
| Ecotoxicity Persistence and de Bio accumulative p Mobility in soil <u>SECTION 13</u> Disposal methods Contaminated pack | No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Dispose of contaminant in accordance with local landfill or incineration regulations. | | | | |
| Ecotoxicity Persistence and de Bio accumulative p Mobility in soil <u>SECTION 13</u> Disposal methods | No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Dispose of contaminant in accordance with local landfill or incineration regulations. | | | | |

Special Precautions No special precautions or requirements for transport

| SECTION 15 | Regulatory Information | | | |
|---|--|--|--|--|
| Safety, health and e | nvironmental regulations This Safety Data Sheet was prepared in accordance with Safe Work Australia's Code of Practice for the Preparation of Safety Data Sheets for Hazardous Chemicals. | | | |
| Standard for the Un | iform Scheduling of Medicines and Poisons (SUSMP) Not allocated | | | |
| AICS | Components are listed in the Australian Inventory of Chemical Substances. | | | |
| SECTION 16 | Other Information | | | |
| Reason for Revision Review and update information in accordance with GHS requirements. | | | | |
