SECTION 4 First Aid Measures	SECTION 4	First Aid Measures	
Eye Irrigate with copious quantities of water for atleast 15 minutes, lifting eyelids			
Seek medical attention.	A I I I I I I I I I I		

- **Skin** Wash off with soap and water. If any symptoms arise seek medical attention.
- **Inhalation** Move to fresh air. Seek medical attention if symptoms persist.
- **Swallowed** Rinse mouth with water. Give water to drink. Seek medical attention if symptoms persist.

Personal protection for first aid responders

Ensure that medical personnel are aware of the material(s) involved and take precautions to protect themselves.

Easi-Grip Watercolour Pencils Safety Data Sheet

Symptoms caused by exposure

Direct contact with eyes may cause minor irritation.

Medical attention and special treatment

Provide general supportive measures and treat symptomatically. Keep under observation as symptoms may be delayed. Seek medical attention if symptoms persist.

SECTION 5	Fire Fighting Measures	

Extinguishing equipment

- **Suitable** Water, fog, foam, dry chemical powder, carbon dioxide. When choosing extinguishing equipment be aware of any potential hazard(s), example electrical.
- **Unsuitable** Anything that could spread the fire and or risk the safety of surrounding personnel.

Specific hazards arising from the chemical

Gases hazardous to health maybe formed, including oxides of carbon.

Specific protective equipment and precautions for fire fighters

Self-contained breathing apparatus (SCBA) and full protective clothing (PPE) must be worn in case of fire.

Hazchem Code Not available.

General fire hazards No unusual fire or explosion hazards known.

SECTION 6	Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

For non-emergency personnel

Keep unnecessary personnel away and upwind of spill. Wear appropriate protective equipment during clean up. Fine dust in air may ignite. Prevent contamination to drains / water ways. Local authorities should be contacted if spill cannot be contained. Collect and seal in clearly and properly labelled containers for disposal in accordance with local regulations. Heed advice under Section 8 "Personal Protection".

For emergency responders

Keep unnecessary people away. Fine dust in air may ignite. Heed advice under Section 8 "Personal Protection".

Environmental precautions

Avoid release to drains, water ways or onto the ground.

Methods and materials for containment and clean up

Large spills – If safe to do so, collect trying not to create dust and place in clearly and properly labelled containers for disposal in accordance with local regulations.

Small spills – Clean up with brush and shovel, trying not to create dust.

SECTION 7

Handling & Storage

Precautions for safe handling

Wear appropriate personal protective equipment. Observe good industrial hygiene practices. Avoid breathing dust, and always wash hands after handling the product.

Conditions for safe storage, including any incompatibilities

Store in a cool, dry location in a closed container. Store in clearly labelled containers.

SECTION 8

Exposure Controls / Personal Protection

Occupational exposure limits (OEL's)

No OEL's noted for this specific product. However, for individual components,

	CAS No.	TWA
Titanium Dioxide	1317-80-2	10 mg/m ³ (dust)
Carbon Black	1333-86-4	3 mg/m ³

Biological limit values

No biological exposure values noted for this product.

Appropriate engineering controls

Use in a well-ventilated area. If required use local exhaust ventilation. Provide an eyewash station.

Individual protection measures, for example personal protective equipment (PPE)

Skin protection

Wear impervious gloves.

Hygiene measures Use and maintain good industrial hygiene. Avoid breathing dust and always wash hands after use. Routinely wash and maintain safety equipment and clothing. Do not eat, smoke or drink when handling this product.

SECTION 9	Physical & Chemical Properties	
Appearance	Solid (assorted colours)	
Odour	Not available	
Odour threshold	Not available	
pH	Not available	
Melt point	Not available	
Boiling point	Not available	
Flash point	Not available	
Flammability	Not available	
Vapour Pressure	Not available	
Vapour Density	Not available	
Relative density	Not available	
Solubility in water	Not available	
Specific Gravity	Not available	

SECTION 10

Stability & Reactivity

Reactivity This product is considered stable under normal conditions of use, storage and transport.

Chemical stability This product is considered stable under normal conditions of use, storage and transport.

Possibility of hazardous reactions

No hazardous reaction known under normal use.

Conditions to avoid No specific data available for this product.

Incompatible materials

No additional information available.

Hazardous decomposition

If engulfed in fire product may give rise to the release of obnoxious fumes including oxides of carbon.

SECTION 11

Toxicological Information

Information on possible routes of exposure

Inhalation	No adverse effects expected due to inhalation.
Skin contact	Minor irritation may be expected in some individuals.
Eye contact	Minor irritation may be expected in some individuals.
Ingestion	Expected to be low ingestion hazard.

Symptoms related to exposure

Skin contact - symptoms may include redness, heat and itching. Eye contact - symptoms may include stinging and redness.

Acute No specific data available.

Skin corrosion / irritation

Prolonged skin contact may cause minor irritation in some individuals.

Serious eye damage / irritation

May cause minor irritation in some individuals.

Respiratory or skin sensitisation

Not a respiratory sensitizer. Not expected to cause skin sensitisation.

Carcinogenicity No data available.

Reproductive toxicity

This product is not expected to cause reproductive or developmental effects.

Additional Information

This product does NOT contain,

Egg, dairy, soy, seafood, shellfish, wheat or peanut products, by-products or derivatives.

SECTION 12	Ecological Information	
Ecotoxicity	No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Sufficient measures should be taken to retain the water used in extinguishing any fires involving this product. Dispose of contaminant in accordance with local landfill or incineration regulations.	
Persistence and de	gradability No specific data available.	
Bio accumulative p	otential No specific data available.	
Mobility in soil	Product is insoluble in water.	
SECTION 13	Disposal Considerations	
Disposal methods	Dispose of this product and any water contaminated with this product in accordance with local regulations.	
Contaminated pack	caging The container in which the product is/was contained should also be disposed of in accordance with local regulations.	

Easi-Grip Watercolour Pencils Safety Data Sheet

SECTION 14	Transport Information
ADG	Not regulated as dangerous goods.
	Not regulated as dangerous goods for IATA
IMDG	Not regulated as dangerous goods.
Special Precaution	ns No special precautions or requirements for transport
SECTION 15	Regulatory Information
Cofaty, boolth and	anvironmental regulations
Salety, nearin and	environmental regulations This Safety Data Sheet was prepared in accordance with Safe Work Australia's Code of Practice for the Preparation of Safety Data Sheets for Hazardous Chemicals.
Standard for the U	niform Scheduling of Medicines and Poisons (SUSMP)
	Not allocated
AICS	Components are listed in the Australian Inventory of Chemical Substances.
SECTION 16	Other Information
Reason for Revision First revision, create SDS	
Acronyms:	
TWA	The TWA (Time Weighted Average) exposure value is the average airborne concentration of a particular substance when calculated over a normal 8 hour working day for a 5 day working week. The term "peak" is used when the TWA limit, because of the rapid action of the substance, should never be exceeded even briefly.
SWA	Safe Work Australia
ADG	Australian Dangerous Goods Code
AICS	Australia Inventory of Chemical Substances
IATA	International Air Transport Association
