Instructions

Step 1

Download and print out one or all of the templates.

Step 2

Go ahead and colour or decorate each costume as you see fit. Be as creative and unique as you like!!

Step 3

Cut along the edges of the template. Make sure you leave the tabs that will be used to construct the costume.

Step 4

Fold along the dotted edges. Glue or use double-sided tape along the tabs. Cut out the tail or extra pieces of the costume and attach to costume as shown on template.

Step 5

Slide costume over Cubetto's shell and have him gallop around your favourite map!
