

## Cubetto's House from his Box

### Material

- Cubetto's box and its innards
- Sharp knife and AN ADULT!
- Ruler
- Pencil
- Glue, tape, or stapler
- Markers, paint or whatever you like to decorate with!

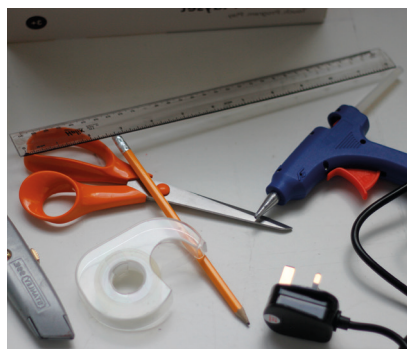

### Time

20 minutes

### Difficulty

Medium

## Instructions

---

### Step 1

Open up Cubetto's box and remove folding inside part.

### Step 2

Unfold all flaps. Decide which side you would like to be the floor.

### Step 3

Draw windows and doors and have an adult cut them out.

### Step 4

Use your imagination to decorate the rest of Cubetto's house. Use glue or tape to create new walls, driveways or an interesting roof.

### Step 5

Have Cubetto settle in with some of his best friends!
