

Give Cubetto Arms!

Material

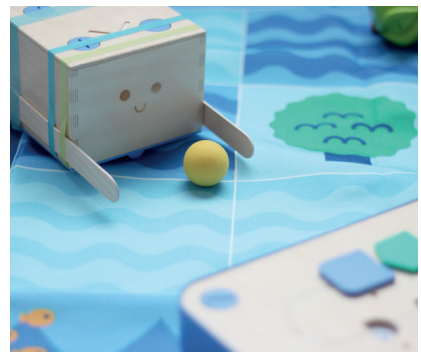

- Popsicle sticks
- Masking tape or washi tape
- Ball

Time

5 minutes

Difficulty

Easy

Instructions

Step 1

Lay Cubetto on his side.

Step 2

Take one popsicle stick and put into a low position on his cube. Make sure there is a good amount protruding.

Step 3

Use the tape to fix the popsicle stick on his side. We went all the way around.

Step 4

Flip to other side and repeat.

Step 5

Grab a small ball and your favourite map. Use Cubetto's arm to push the ball around or gather items as he navigates the map!!
