

Light Box Inspirations

A Natural Perspective – How To:

- layer natural objects like leaves, hessian, wooden blocks and shells.
- wrap light box in plastic wrap to protect from sand (keep air vents open & remove when finished).
- layer tracing paper (optional) and pour sand onto light box and use fingers and/or scrapers to create designs.

Use sand to create art

A variety of resources invite investigation, exploration, & promotes aesthetic awareness.

Suggested Resources

Black Quartz Sand
PNP040 (1 litre jar) \$13.90

Hessian Squares Natural
SH892 (10 pieces) \$7.90

Wooden Cubes – 2cm
DC463 (100 pieces) \$21.90
5 or more \$19.90

Mini Shells
PNP029 (700gram) \$9.90

Natural Skeleton Leaves
TH001 (100 pieces) \$9.90

Tracing Paper A3
MD1016 (25 sheets) \$8.90

Children learn about their world through their senses.
Sensory play is beneficial for all children as
there is no right or wrong way to play.

MA

Colour Burst – How To:

- build with a variety of colourful resources on the light box to explore colour, shape, texture, pattern and line.
- select resources that are all the same colour to focus on shape and line.
- don't forget to use your construction materials on the lightbox.

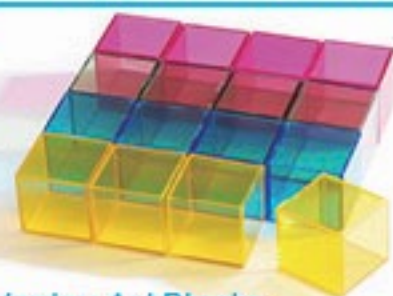

Suggested Resources

Luminescent Building Colour
DY103325 (98 pieces) \$399.90

Agate Light Table Slices
KAP8610 (12 pieces) \$49.90

Weplay Art Blocks
WY2202 (16 pieces) \$59.90
3 or more \$49.90

Plastic Mosaic Pieces
LK6170 (454 grams) \$19.90
4 or more \$14.90

Geometric Solids
LER4331 (14 pieces) \$29.90

Coloured Cellophane
ME59 (20 pieces) \$19.90

Playful Painting – How To:

- wrap light box in plastic wrap to protect from paint (keep air vents clear).
- place Litho paper onto lightbox and add paint.
- use scrapers, paint brushes and fingers to create beautiful artworks.
- remember to remove plastic wrap from light box when finished.

Providing sensory and exploratory experiences with natural and processed materials promotes confident and involved learners. EYLF Outcome 4 page 37

 CT2148 Each \$179.90
 2 or more \$169.90

FAS Super Tempera Paint Set
 FN10 (8 x 2 litres) \$69.90

Paint Scrapers
 RE5451 (4 pieces) \$9.90

Litho Paper – 500 Sheets
 WHP041 (38 x 51cm) \$39.90

Assorted Nylon Brush Set
 FS2525 (25 pieces) \$14.90

Non Spill Paint Pot Set
 SA1610 (10 pieces) \$14.90

The calming influence of a light box invites sensory integration and engages children for long periods of time.

Explore reflections

Wonderful White – How To:

- explore shape, line, transparency and shadows by layering different clear and opaque resources onto the light box.
- add mirrors for reflection and add prisms to refract light.
- use clear blocks to build structures onto the lightbox and explore their shadows.

Suggested Resources

Ultra Slim Light Panel A2
CT3000 Each \$299.90
2 or more \$269.90

Translucent Clear Blocks
DY103163 (98 pieces) \$399.90

Volume Relationship Set
GG1044 (6 pieces) \$19.90
12 or more \$14.90

Equilateral Prism
LER2058
Each \$14.90
6 or more \$12.90

Splats
CT2397 (10 pieces) \$49.90

Luminescent Clear Blocks
DY103326 (98 pieces) \$399.90
