About the Presenter

Joanna Burk is based in Sydney and has worked with LEGO® Education resources since 1998. She has a Diploma of Teaching in Primary Education & Certificate IV in Workplace Training & Assessment. As Business Development Manager - STEM & Robotics with MTA, Joanna conducts professional development workshops for teachers in the effective use of LEGO Education & Robotics resources. Joanna is also trained and certified in the application of the world renowned LEGO Serious Play methodology and is able to facilitate team and strategy sessions to ensure that all participants actively engage with the process. Her presentations at curriculum days, workshops, information sessions, conferences & network meetings provide participants with a wealth of information which will assist in achieving best practice in teaching. Joanna is also an actively involved member with Robocup Junior competitions in Australia & New Zealand.
