Introductory Robotics Dash Wonder Workshop

Target Audience: School or Library staff with an interest in Robotics

Half Day Workshop

Come and Discover Dash

See how easy it is to programming Dash using the different Apps (Wonder, Blockly, Path, Go, Xylo) available on the iPad. Discover just how engaging this little robot can be. Programming with Blockly introduces advanced concepts of coding through playful projects and puzzles. Exploring variables, events, conditionals and more, Dash becomes a dancer, adventurer, artist and prankster, powered by kid's code.

Get hands on with some of the support materials available to teachers and gain more confidence in using Dash in the classroom and discover the possibilities.

About the Presenter

James Dwyer is a teacher with a passion for robotics, who loves to share his knowledge and excite other teachers! James has substantial experience as a facilitator of robotics workshops, from beginning to advanced. He is heavily involved in RoboCup Jnr Australia competitions and has mentored numerous teams to success at the highest levels. James has a warm and engaging presentation style and his supportive approach to learning makes him a great workshop presenter.
