RobocupJunior On-Stage & Rescue

RoboCupJunior Australia (RCJA) is a project-oriented educational initiative that supports local, regional & international robotic events for Primary & High school students. Teams work in a cooperative & supportive environment developed by volunteer groups of teachers, past competitors & industry members in three distinct challenges; **On-Stage, Rescue & Soccer**. The focus of RoboCupJunior is the development of teamwork skills as well as technical skills in an environment of participation, fun & excitement. For more information on RobocupJunior Australia please refer to the website www.robocupjunior.org.au
