

Pen Pals

Materials

- Decofoam People (SH867)
- Feathers (SH1461)
- Joggle Eyes (SH1034)
- Assorted Easter Stickers (SH519)
- Foam Sheets (CL7538)

Equipment

- Black Marker
- Paint
- Scissors
- Pencil or pen
- Craft Glue (BON1001)

Instructions

1. To make your very own pen pal, firstly choose the animal you wish to make.
2. Take a decofoam shape and using a pencil, push the lead end into the bottom creating a hole. Then turn up the pencil the other way and insert the blunt end securely to the decofoam.
3. Paint the body with the desired colour and leave to dry. **TIP:** It may require 2 coats.
4. Once dry, start adding the details.
5. For the bunny we have made ears, arms and legs. Cut these out of foam sheets, or alternatively use white cardboard and paint. (For the tail you can use a mini pom pom SH1460).
6. Then make little slots in the decofoam to position these, slot in the pieces and glue securely.
7. Add joggle eyes, a carrot and carefully draw on the nose, mouth and whiskers.
8. For the chick we have added a beak, feet and joggle eyes. Then for the wings, insert feathers to the side of the body.
