Sold at Mighty Ape from 1 August 2023 to 12 December 2025

Defect: The product is being recalled because it may include traces of asbestos, which is a prohibited substance in New Zealand

Hazard: The product may cause a risk to health as Chrysotile asbestos (a naturally occurring asbestos) has been detected in some samples after laboratory testing. While the risk that any asbestos found is likely to be airborne or fine enough for inhalation is low, this may still pose a risk.

What to do: Stop using the products immediately. Follow the specialist advice on safe containment, removal and disposal for Households/individuals from Health NZ here [Asbestos in sand](#)

Contact the retailer where you purchased the products for refund options with proof of purchase (eg. Photo of product, receipt etc).
